

SCIENTIFICALLY SUPPORTED FOR AGE-RELATED EYE HEALTH

EyePromise® AREDS 2 Plus with Multi-Vitamin and AREDS 2 Plus Zinc-Free are specifically formulated with ingredients outlined in the National Eye Institute AREDS 2 study – plus additional nutrients scientifically proven to support aging eye health, including:

- Additional dietary zeaxanthin — totaling 10 mg per serving to protect your eyes from the inside out.
- Vitamin D3 — shown to support immune, joint and muscle health.
- Omega-3s — rich in the brain and retina and shown to support healthy vision.

EyePromise®
Live in focus.

EYEPROMISE AREDS 2 PLUS

AREDS 2 Plus with Multi-Vitamin is offered in a daily convenience pack (1 softgel, 1 tablet), while the zinc-free formulation comes with a recommended dose of 2 softgels per day – both facilitate easy and consistent usage.
