EYEPROMISE SCREEN SHIELD TEEN

EyePromise Screen Shield Teen is specifically designed to naturally defend children's eyes from the effects of screen time.

Serving size: 1 tablet

All-Natural Zeaxanthin (5 mg)

A critical antioxidant necessary for protecting against the effects of screen time.

Lutein (2.5 mg)

An important antioxidant that helps reduce the effects of digital screens on the eyes.

Vitamin C (Ascorbic Acid) (60 mg)

An essential vitamin in the production of the glue that holds the cells in the eyes and brain together.

Vitamin E (2 mg)

An essential vitamin that protects cells throughout the body from damage and has a positive effect on immune health.

Zinc (1.5 mg)

An essential mineral important for metabolism and eye health.

Other Ingredients

Sorbitol, Stearic Acid, Citric Acid, Natural Fruit Punch Flavor, Rice Bran Extract, and Rice Hulls

For Ages 4-17

Made with **100%**
Natural Zeaxanthin

**GMO
FREE**

SUPPORTED BY SCIENCE

30+ years of research in eye health and nutrition support the benefits of the ingredients chosen for EyePromise Screen Shield Teen. Eye-healthy antioxidants like zeaxanthin and lutein offer natural protection for young eyes that are not fully developed. With other nutrients proven to support eye health, Screen Shield Teen is a great addition to a child's daily routine.
