

# What Is Occasional Dry Eye?

Occasional dry eye is when your eyes don't produce enough tears, or the tears produced don't keep the eye lubricated.

## Symptoms include:

- Dryness
- Red, itchy, gritty, or burning eyes
- Blurry vision
- Irritation
- Excessive watering
- Constantly feeling like something's in your eye

# What Is EyePromise® EZ Tears™?

A simple eye vitamin created specifically for your occasional dry eye. This vitamin includes natural, ethically sourced ingredients you may actually recognize like anchovies, green tea leaves, and turmeric. Our highly concentrated fish oil is sourced from the oceans of Chile and put through a patented purification process to ensure quality and freshness. Certified for Responsible Sourcing, Friend of the Sea, and Dolphin Safe, these Omega-3s are as good for the environment as they are your eyes.

## Alleviating Occasional Dry Eye Through Nutrition

Did you know there is a strong relationship between what you eat and your eyes? Increasing your intake of foods that contain ingredients like Omega-3s, Vitamin A, and gamma-linolenic acid (found in primrose oil) can impact your eye health and help improve your daily comfort levels.

## Why EZ Tears?

- Guaranteed relief in 30 days
- Reduced symptoms as demonstrated in clinical trials\*
- Improved contact lens comfort
- Potent Omega-3s

\*Results recorded in the Ocular Nutrition's Impact on Tear Film clinical trial published in Advances in Ophthalmology and Visual System in 2015.

# Ingredients

Serving Size: 2 Softgels

## Omega-3 TG

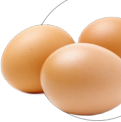

(1,100mg, EPA/DHA = 590 mg/440mg)

Fatty acids from fish are vital and lacking in the typical diet; significant structural components of tissue cell membranes throughout the body; DHA is rich in the brain and retina and supports healthy vision.

## Vitamin A (300 mcg)

Fat soluble vitamin (*absorbed by the body with the help of fats*) supports corneal surface health; mucosal, conjunctival, meibomian and lacrimal gland health; major importance in the mucous layer of tear production.

## Vitamin D3 (50 mcg)

Fat soluble vitamin deficient in the American diet; supports immune health, joint health, muscle health, and more.

## Vitamin E (40 mg)

Fat soluble vitamin helps support eye health by protecting Omega-3 fatty acid formulas from compounds found in a healthy diet.

## Proprietary Blend (220 mg)

**Evening Primrose Oil:** With GLA (gamma-linolenic acid) - shown to favorably affect symptoms of occasional dry eye.

**Turmeric Root Extract:** Includes curcumin and is important to support the health of ocular surface.

**Green Tea Leaf Extract:** Provides antioxidant effects in ocular tissues to support eye health.

**Mixed Tocopherols/Tocotrienols:** Important for reducing the effect of compounds that can contribute to occasional dry eye.

\* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

# Why EyePromise?

## ✓ Clinically proven products

From ingredients to product formulations, EyePromise bases all our vitamins on science, ensuring that they are safe and effective.

## ✓ Highest quality, natural ingredients

EyePromise EZ Tears is formulated with highly-concentrated fish oil - meaning that 70% of our fish oil is the potent, easily absorbed Omega-3s your eyes need.

Our fish oil is **70%** Omega-3s.

Competitor's average 40%-50% Omega-3s.

## ✓ Rigorous third-party testing

Through organizations like the FDA and NSF International, each EyePromise product is thoroughly tested for quality and purity, so you know that what you see on the label is what you get in each dose.

## ✓ Money-back guarantee

We stand behind our vitamins. With a 60-day, money-back satisfaction guarantee for every product and a 30-day, money-back guarantee for EyePromise EZ Tears, it's a risk-free investment.
